

# ***BREAKING CBC BOMBSHELL***

*Hey \_\_\_\_, the truth about the CBC is out.*

*A VETERAN CBC host just blew the whistle—confirming what most Canadian patriots already knew (we're sure YOU saw this coming):*

*If you question the state-funded media giant's narrative, you get demoted or completely **SHUT DOWN**.*

*The worst part? You're PAYING for this nonsense.*

*The Liberals shovel MILLIONS of taxpayer dollars to their statefunded media broadcaster. It's outrageous!*

*You're a FREETHINKER—we know you won't stand for this.*

*The best way to fight against the Liberal machine is by helping to GUARANTEE that Pierre Poilievre wins his crucial by-election on August 18th. We've committed to raising \$100,000 by July 10th. That's less than 48 hours away—and we're \$20,000 short! Canadian patriots have already pitched in \$10, \$25, and even \$250 to help—can Pierre count on you?*

*The CBC is clearly state-owned, taxpayer-funded groupthink. That's why Pierre's return to Parliament is CRUCIAL—he's the ONLY leader who will DEFUND the CBC.*
